OFFICE OF
UNITED STATES ATTORNEY,

Eastern District of Pennsylvania.

Philadelphia, November 11. 1885.

Daniel M. Fox Esq
Superintendant.
Dear Sir:

On the 7th. of August last I addressed the Secretary of the Treasury a letter, a copy of which I enclose, in regard to the loss of certain bars of silver at the mint and of the prosecution pending in this District against Peter Daly for his reception of one of these bars.

Immediately after that, Mr. Scanlan of the Secret Service informed me that he had been detailed to examine into this matter.

As the term of the U.S. District Court will commence on monday next I would be pleased to be informed whether the trial of Daly

at the approaching term would interfere or prejudice in any way the investigations which are being made in the matter of the loss above referred to?

Very respectfully

John K. Valentine
